Process of developing “Kirari Kohoku” 「きらり港北の展開の経緯」

The welfare facility for Fukushi Club Co-op, which was founded in 1989 as the first Co-op specializing in welfare activities, was initiated from a co-operative purchasing facility only having a delivery center capability. In 1992, Mini-day-service started in a separate building in the center, then meeting rooms and W. Co. office were added and followed by a single facility for meal delivery service and day service. Then it was extended as a complex welfare facility including day service and nursery home as a core (“Core Kita Kamakura” was established in 2003). “Kirari Kohoku” opened in 2012 is now a base for all activities of Fukushi Club Co-op with combining head quarter function.

The complex facility established by financial contribution from Co-op members from 20’s to 90’s is a place to connect every kind of “mutual cooperation”.

A message of “town creation” will be positively sent out from “Kirari Kohoku” as a core opened to a local community

「きらり港北」は福祉クラブ生協施設づくり20年の到達点

1989年日本で初めての福祉専門生協として設立した福祉クラブ生協の施設は、当初は共同購入施設（配送センター機能のみ）から始まりました。1992年にはセンター別棟でミニデイサービス開始、その後、会議室やW.Co事務所を併設、次に食事サービスやデイサービスの単独施設、そして、デイサービスや入居サービスを中心とする複合福祉施設（2003年コア北鎌倉開設）へと拡がり、2012年開所「きらり港北」は、本部機能も複合することで、福祉クラブ生協の活動が集合する拠点になります。

20才代から90才代の組合員の出資により設立した複合施設は、あらゆる“たすけあい”をつなぐ場です。今後も地域に開かれた拠点として「きらり港北」から“街づくり”を発信します。
